got the sphere and Hanson took it and was well up to the goal when Philip cleared grandly. Neutral play followed, and then the Cavalry pressed again and Hanson notched a goal. They looked to be getting another on the re-start, but Malina saved. Charlie stroked the ball out of a melee and was right after it when the bell rang.

Score: Kauai, 4 1/4; Cavalry, 4.

Seventh Period.

Arthur set the ball going with a telling smash. The Cavalry were riding very hard in this period and frequent cries of "foul" went up from the supporters of Kauai, but Referee Angus evidently saw nothing amiss. Malina hit for a big gain, but Quekemeyer was equal to the occasion and sent the ball back in the direction from which it came. Arthur Rice failed to connect and Philip came to the rescue. Charlie Rice came from nowhere, however, and cleared, and he and Malina managed to steal through Cavalry's outposts. Charlie scoring handsomely. Arthur and Malina worked down the field together but Sheridan headed them off and took the ball goalward, Malina being very noticeably ridden off just then.

Score: Kauai 5 1/4; Cavalry, 4.

Eighth Period.

This was a break-neck session, both sides playing as if their lives depended on it. Arthur Rice's brilliant run raised the hopes of the supporters of Kauai, but Sheridan tackled him in no uncertain manner. Charlie Rice got in a couple of good kicks and then Hanson took the ball, and centering it to Sheridan materially assisted in the making of a goal. A safety by Kauai took a quarter of a point off their score. Arthur started to play a desperate game, but Quekemeyer got his mallet in the way at a crucial moment and the clans gathered for a moment right in front of the auto parade. Philip Rice took the ball far into the military reservation and Malina scored with a flying shot which split the space between the goal-posts almost exactly. The Cavalry went after the ball like madmen and by sheer force of riding soon had the ball where they wanted it. Hansen missed at goal and Charlie cleared, but only for a short while, for Sheridan was on the ball like a flash and scored decisively.

Score: Kauai 6; Cavalry 6.

Extra Period

Kauai got into the game with a rush and stayed there. Charlie Rice missed a kapakahi shot at goal and Forsyth relieved the pressure nobly. Kauai came again and again, however, two shots at goal which looked like taking candy from a baby just missed the posts. Finally Malina made no mistake and a memorable game came to an end.

Final score: Kauai 7; Cavalry 6.

KAUAI LOAN FUND

out the work on the Koloa-Lawai Road, Section 1, as per specifications and plans on file with the Engineer of the Commission, and that he file a good and sufficient bond, the same to be approved by the Committee appointed by the Commission.

The Engineer reported that the bid, as handed in by George W. Mahikoa, was slightly in excess of the figures as estimated by him, but he did not think anything was to be gained by again advertising for bids. He would suggest that the Commission do not enter into a contract for the construction of the stone wall as he preferred to have this work done at a later date when the new road and fills had had ample time to settle. He thereupon recommended the acceptance of the contract, with the above exception, as to the stone retaining wall.

The recommendation being approved, a motion was duly made and passed that the Kauai Loan Fund Commission enter into a contract with the said George W. Mahikoa, he to construct and carry out the work of the New Hanalei Grade as per the specifications and plans on file with the Engineer of the Commission, with the exception of that portion appertaining to the construction of the stone retaining wall, and that he file a good and sufficient bond, the same to be approved by the Committee appointed by the Commission to approve of all bonds.

A motion was duly made and passed unanimously that the Engineer of the Commission, J. H. Moragne, be authorized to sign and enter into any and all contracts which had been approved of

SPORTS

In an uninteresting game at Makaweli Sunday, the home team put it all over the Elele boys to the tune of 21 to 7. In the second inning the Eleles annexed four runs then seemed to go to pieces and did not do anything more until the eighth inning when they put three more men over the plate. Meanwhile the Makaweli bunch took things easy and piled up a score that was big enough to vote.

The Elele team is composed of as good a bunch of players as will be found on any of the teams, but owing to the fact that they can get no practice they are weak in team work.

At Koloa the K. A. C. s went down to defeat to the home team to the score of 8 to 3 in well played game. Though void of sensational plays the game was thoroughly enjoyed by a large and enthusiastic bunch of fans.

Judging from the looks of the score, the best game of the day was pulled off at a Homestead between the home team and Kilauea.

The latter team winning out with a score of 5 to 2.

A lively game of ball was pulled off at Lihue Park Sunday between the Kapaia team and a picked team from Lihue resulting in a score of 19 to 3 in favor of the Kapaia. John Fernandes and Gabriel did the star work for the winning team, but were well supported by the rest of the nine.

As the result of a challenge issued on the 4th of July by the Circle E. Tug of War Team of Kealia to the Kawaihau Roadboard Team, a pull was to have come off at Kealia last Saturday, the 19th, but the Kawaihau team not putting in an appearance, Judges Mundon and Peterson awarded the pull to the Kealia team.

by the Commission, on behalf of and in the name of the Kauai Loan Fund Commission.

Motion made and passed that the Secretary return to James K. Kula the certified check as presented by him with his bid for the Koloa-Lawai Grade.

Motion that the Engineer be instructed to furnish the Commission with a specific plan for straightening out and improving the Hanalei-Haena Road and an estimate of the cost of same, was duly passed.

The Engineer made a report as to the probable cost of the proposed improvement to the Hanapepe-Makaweli Road and owing to the fact that he had found that a goodly portion of the cut would be in rock he estimated that the same would cost from \$3500 to \$4000. The Members of the Commission did not deem it wise or expedient to spend this sum of money and a motion was duly made and passed that the Engineer be authorized to enter into a contract for the removal of the Hanapepe-Makaweli Road point and the building of a suitable stone retaining wall as also for the removal of the Mahinauli Gulch point on the east side.

The recommendation being approved, a motion was duly made and passed that the Kauai Loan Fund Commission enter into a contract with the said George W. Mahikoa, he to construct and carry out the work of the New Hanalei Grade as per the specifications and plans on file with the Engineer of the Commission, with the exception of that portion appertaining to the construction of the stone retaining wall, and that he file a good and sufficient bond, the same to be approved by the Committee appointed by the Commission to approve of all bonds.

A motion was duly made and passed unanimously that the Engineer of the Commission, J. H. Moragne, be authorized to sign and enter into any and all contracts which had been approved of

Motion made and passed that the contract to be entered into with George W. Mahikoa, read as "90 working days" in place of "90 days" as at present in the contract.

A motion, that the Appropriation of \$1000 as set aside for the Kapaia-Kealia Road be cancelled and that in lieu of same the amount of \$1000 be appropriated and set aside for the New Road Kealia-Molokaa, was duly seconded and passed.

Motion to adjourn subject to the call of the chair was duly passed.

W. D. McBryde,
